Hi Lee Anne and Scott;

Lee Anne: we are looking at the afternoon of March 16 somewhere between 1-5 if you can get a video conference line. If you give me the contact for video conferencing, I can make sure that our person here coordinates with them so everyone has the right numbers for connection, etc.

Scott, are you able to travel to the Region on the 16th, or we could also conference you in by phone?

We are expecting a 2 hour meeting

Thanks. Let me know if you have any other questions.

Wendy

The morning of the 16th is not good for me because of other meetings I have and why I could not be there in Chicago that day. However, anytime in the afternoon is good for me. I will need to know though soon so I can coordinate the video conferencing. We only have that capability in a few places.

The 23rd is ok.

Lee Anne

Hi Lee Anne, just checking again if you can meet by video conference on March 16. And Scott, I understand you can travel to the Region either on March 16 or 23. We have not yet received a response from Peabody so just confirming your availability so we can try and ask them again. Thanks.

Peter and Wendy:

* Is the ACOE available anytime on the 16th to participate via video?

Isidra and Felicia:

* Does Bob have two hours anytime on 3/16 for a meeting with Seven Hills?

Thanks!
